Subject: RE: Clean Water Act complaint

I'm under the gun with some FADs and another impending round of MD-715 edits. By place marker do you mean a note in OneTracker saying something like "3.15.17: Received Complainant suit for injunctive relief re: drainage ditch. Reviewing per CRM"?

I think we should prepare some official advice on it.

Ex. 5 AC/DP

Even if we did & we are both tied up right now, we can put a place marker down that we are looking at it per the CRM.

Thanks, Mary

Holy monkey! 964 pages? I agree with internally putting the drainage ditch issue on hold till the litigation pans out.

That sounds about right, but I haven't read the whole thing yet.

Mary,

I am forwarding the complaint filed by Earthjustice against Hawaii Agribusiness Development Corporation that relates to the Title VI matter. Our citizen suits coordinator did not have a copy of this complaint. Not sure how it feels through the cracks.
